Alexandria, VA 22313-1450

We, the undersigned, are joint inventors of subject matter in the above-identified application. Furthermore, we are authors of the article entitled "View-Dependent Displacement Mapping", ACM Transactions on Graphics, V.22 N.3, July 2003, which has been cited in an Office Action in the above-identified application. We declare that the reference cited is our own work.

We hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by a fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
